

Message from the Mayor

The Town Times portion of our Community Guide offers a quick reference resource to season-specific municipal administrative information. If you need information about by-laws, services and programs this resource highlights some that residents may want to know. More information is available through our website at www.petawawa.ca and at our municipal office.

Our Community Services Department and the Petawawa Public Library continue to be the foundation for many of our recreational, social, and cultural activities. The staff strive to provide memorable, affordable recreational activities for every age, interest and ability. If you have program or service ideas please be sure to let us or the municipal staff know. Above all, participate, be active and involved in the community. Take part in planned events, walk the trail networks, play a sport, sign your children up for programs, go to the beach and try a paddle activity. The best of our intentions is only good as long as we lead by example.

Council works hard to manage the essential services of the community and your input is valued; below is a summary of the 2019 budget and a highlight of significant projects.

2019 Municipal Budget Highlights

General Capital projects are estimated at \$4.0 million and will include projects such as:

- Rehabilitation of John Street
- Completion of Black Bay Road with the second lift of asphalt from Doran to Carla and then Industrial to Petawawa Boulevard
- Design work for the future rehabilitation of Portage Road, Roy Street and Golf Course Road
- Financial provisions for other infrastructure works pending successful funding applications
- Construction of a sand dome to accommodate winter control operations
- Continued twinning of the Algonquin Trail through Murphy Road to Portage Road
- Rolling Stock additions will include the replacement of a tandem snowplow, a new trackless MT6 and the Fire Department will acquire a new bush truck

Community Services projects include:

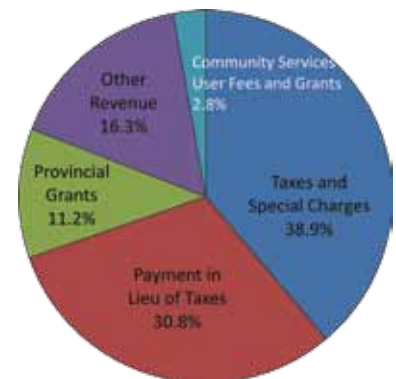

- New arena plate and frame heat exchanger
- Upgrades to a number of neighbourhood parks with continued improvements at Petawawa Point
- Funds designated into reserves for the arena floor replacement
- Monies allocated to develop a unified vision and infrastructure plan for Centennial Park catwalk project

Protective Services projects include:

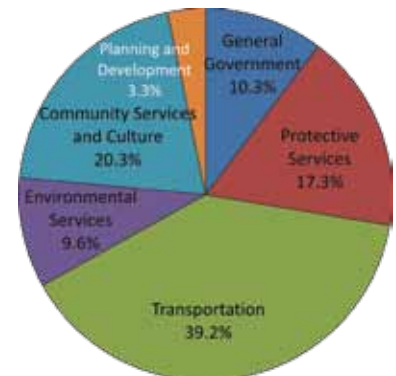

- OPP Service contract
- Fire Protection 2019 Master Plan
- Equipment maintenance, facility upgrades and rescue equipment purchases

Water and Sewer projects are estimated at \$3.0 million and will ensure upgrades to the electrical and mechanical operating infrastructure for each plant and at the Renfrew Pumping Station. Additional monies have been earmarked for water and wastewater upgrades to be completed in tandem with road infrastructure work subject to grant applications.

Commissioning Services at the Municipal Office

A Commissioner of Oaths is a person authorized to take your oath or solemn affirmation when you sign an affidavit or a statutory declaration. A Commissioner does not certify that the statements being made are true, but only certifies that an oath or solemn affirmation has been administered properly.

If you require commissioning services, please visit the Municipal Office or call 613-687-5536 for more information. Be sure to bring identification whenever you need documents commissioned. There is no fee for this service.

GETTING MARRIED?

**Marriage licences available
at the Municipal Office**

Simply pick up an application from the Municipal Office or print a copy from our municipal website at www.petawawa.ca (Town Hall/Clerk's page). Bring the completed application form along with two pieces of original identification (as identified on our website) for each applicant to the Municipal Office. At least one of the applicants must be present to submit the application and pick up the completed licence. If either applicant has been divorced please bring the original certificate of divorce.

A marriage licence is valid for a period of three months and is valid for use anywhere in Ontario. The cost of the licence is \$100. For inquiries please call 613-687-5536 ext. 2003.

To book a wedding or photos at Centennial Park, please contact the Community Services Department at 613-687-5678.

WATER USE NOTICE

By-Law 293/04

Outdoor watering is permitted **ONLY** between 6:00 to 9:00 a.m. (morning) **AND** 6:00 to 9:00 p.m. (evening)

Addresses ending in an even number (eg. 2-4-6) can water on even days. Addresses ending in an odd number (eg. 1-3-5) can water on odd days.

Anyone not following these regulations may be charged and fined.

ANIMAL CONTROL

By-Law 174/01

Pet owners are reminded of the following prohibitions under by-law 174/01 for both dogs and cats:

- ✓ No person shall fail to prohibit their pet from running at large;
- ✓ No person shall permit their pet to enter onto private property without the consent of the property owner;
- ✓ No person shall fail to have their pet vaccinated against rabies; and
- ✓ No person shall fail to register their pet annually with the municipality.

Property Owners — PLANNING ON BUILDING A FENCE?

The Town of Petawawa Fence & Pool By-law (378/06) is in place to ensure the health, safety and well-being of the inhabitants of the municipality. Permit applications are required for pool enclosures; however, all other fences do not require a permit. The fence by-law restricts the height of fences, landscaping materials and grading, while also outlining acceptable construction materials and placement.

Residential Fence

- Cannot exceed 2 metres (6.5 feet) in height
- A fence is not permitted within a front yard, except if installed along the side lot lines
- A fence along a side lot line cannot exceed 1 metre in height within 4.5 metres (14 feet, 9 inches) of the nearest front lot line
- Exception is given for corner lots; a fence can be installed along a side lot line, adjacent to the exterior side yard, provided it does not exceed 2 metres (6.5 feet) and all other provisions of this by-law are met
- Further restrictions apply to corner lots so as to ensure proper sightlines for vehicles and pedestrians (Visibility Triangle)

Determining Property Line Boundaries

- The Town cannot provide information on location of property lines
- If you received a lot survey as part of your home purchase, it outlines your lot boundaries
- If you did not receive a survey, a Title Search can be conducted at your local Land Registry Office (Service Ontario, Pembroke, ON) to determine if there is information available

Call before you dig: Ontario One Call 1-800-444-1235

For further information or assistance, contact Planning & Development at 613-687-5536 or refer to www.petawawa.ca for the full By-law.

Important Notice — SECOND DWELLING UNITS

Town Council has recently passed an amendment to the Zoning By-law to permit second dwelling units within the Town.

As per By-law 1237/18, second dwelling units shall be permitted in single detached, semi-detached and multiple attached dwellings or within structures accessory to a dwelling such as a garage or other detached structure; including a coach house. Please refer to the full by-law for further information.

Registration required for Second Dwelling Units

Every person who establishes, operates or permits the occupancy of a second dwelling unit shall register the second dwelling unit as required according to By-law 1238/18. It is also the owner's responsibility to ensure their current contact information is maintained for the registry, as well as provide property ownership changes within one month after such change occurs. Please refer to the full by-law for registration information and requirements.

Planning & Development would be glad to assist you! Contact us at 613-687-5536 or check out www.petawawa.ca for general information.

Emergency Preparedness Week May 5-11, 2019

Emergency Preparedness (EP) Week is an annual event that takes place across the country during the first full week of May. In 2019, Emergency Preparedness Week is being celebrated May 5-11.

EP Week raises awareness about how to prepare for an emergency and how to keep your family safe in a crisis. It also helps to create safer communities by encouraging you to remember those who may be vulnerable or unable to support themselves during an emergency.

There are four simple steps to help plan for emergencies:

- Know the hazards/risks in your area;
- Make a plan to protect your family in the event of emergency;
- Get an emergency kit so you and your family are self-sufficient for at least 72 hours;
- Know what to do after an emergency occurs.

For further information you may contact your Community Emergency Management Coordinator at 613-687-5536.

Here we grow again!

The Town of Petawawa congratulates all businesses that opened their doors, celebrated milestones, or expanded over the last year!

- Dank Headshop • Bath Boutique • Safeguard Electric
- Valley Vape Inc • Murray Hill Maintenance
- White Feather Art & Tattoo Studio • Small Engine Repairs

While there are undoubtedly businesses absent from this list, we support and thank all our local businesses for their excellence in service and quality. The local business community is a vital component leading to the outstanding quality of life we enjoy in Petawawa.

Prevent CO in your home:

- Ensure fuel-burning appliances, chimneys and vents are cleaned and inspected annually. Visit COSafety.ca to find a registered contractor near you.
- Check that all outside appliance vents are not blocked.
- Gas and charcoal barbeques should only be used outside, away from all doors, windows, vents, and other building openings. Never use barbeques inside garages, even if the garage doors are open.
- Portable fuel-burning generators should only be used outdoors in well-ventilated areas away from windows, doors, vents and other building openings.
- Ensure all portable fuel-burning heaters are vented properly, according to manufacturer's instructions.
- Never use the stove or oven to heat your home.
- Open the flue before using a fireplace for adequate ventilation.
- Never run a vehicle or other fueled engine or motor inside a garage, even if the garage doors are open. Always remove a vehicle from the garage immediately after starting it.

Prevent Accidental 9-1-1 Calls

In 2018 the OPP estimates that \$24,000 was spent on responses to false 9-1-1 calls in Petawawa.

Accidental 9-1-1 calls reduce the ability of timely responses during a real emergency as phone lines are occupied and service personnel are deployed elsewhere. With a few simple considerations you can help reduce unnecessary calls for service.

- Ensure that cell phones do not have 9-1-1 as a programmed auto dial;
- To minimize pocket dialing, use a holster for your phone and have your keypad locked;
- Prevent small children from playing with your phones;
- Inactive phones can still dial 9-1-1 so remove the batteries;
- If you do accidentally call 9-1-1, ensure you stay on the line and let the Emergency Communication Officer know of the error.

DIALED 911 ACCIDENTALLY?

BURNING

By-law 1196/18

Recreational Fires – Requires approval by the Chief Fire Official or designate. **Site visits will be conducted – CO and smoke alarms will be tested** to ensure that they are functional prior to the issuing of the permit. To apply or renew your annual recreational fire permit please contact the municipal office.

Rural Burning – No persons shall set a fire or allow a fire to burn within the boundaries of the Town of Petawawa without first having obtained a permit from the Municipality or the Chief Fire Official. Rural fires are only permitted in areas with a minimum property size of three (3) acres or 1.2 hectares. Rural burning is not allowed from May 1 to September 30 inclusive.

Zero Tolerance will be enforced for those who burn without a permit. Charges will be laid.

Did you know...

Ian Carnegie, also known as "The Grippler" is a descendant of one of Canada's most well-known wrestling families. He is the son of Gary Carnegie, a Canadian Army Veteran and Diane 'Vivian' Vachon a Canadian Wrestling Queen and Hall of Famer. He is also a nephew of two wrestling Hall of Fame Uncles, Maurice "Mad Dog" Vachon and Paul "The Butcher" Vachon, as well as cousin to former WWE Super Star Trudy "Luna" Vachon.

He was born on February 5th, 1980 while his father served in the military at CFB Petawawa. He moved to Montreal as a child but came back to Petawawa in 1994 and attended General Lake Public School and General Panet High School. He also played hockey at that time with the Petawawa Patriots.

In 2003 he joined the military and served at CFB Petawawa with 3 RCR until 2013. In 2005 he entered a military arm wrestling tournament on CFB Petawawa and was immediately hooked as he won his weight category.

He wrestles in the super heavyweight class as he is six-foot-one and 350 pounds and his favourite techniques are hook and high hook. His greatest achievement to date was at the 2017 World Armwrestling League Midwest Classic "Tenacious 12" championships in Los Angeles where he placed 2nd and 3rd respectively in the right hand and left hand super heavyweight division.

He retired from the military in 2016 and arm wrestles with three different Ontario arm wrestling clubs. Visit www.walunderground.com for more info on Ian "The Grippler" Carnegie's career.
