

## Community Transportation Survey

### Community Transportation Petawawa "Daily Living" program

In partnership with the Ministry of Transportation, the Town of Petawawa, through Carefor Health and Community Services is seeking to offer a door to door transportation program that meets the daily living needs for the residents of Petawawa. The program is to support Petawawa businesses/service providers, within the Petawawa boundary, and is intended, primarily, for those residents with disabilities, seniors and those on a limited fixed income. We seek your input to help shape a transportation service program that will provide those who need it most with the opportunity to be actively included in community wide services.

**1. Would you use transportation services to complete daily activities such as grocery shopping, banking, attending workshops, food bank or social activities?**

- ☐ Yes (you would use the service consistently)
- ☐ Occasionally (you may use the service depending on the schedule)
- ☐ No (you do not require any transportation service) If you answer no to this question there is no need to complete the remaining questions.

**2. A user rate for transportation of \$10.00 return fare is being proposed. Would you be able to afford this fee? (Note: some providers are working towards covering this user fee)**
