Mayors Message

Welcome residents and visitors to the Town of Petawawa. Our recreation guide offers a quick reference resource to season specific municipal information. If you require information about by-laws, services and this programs, resource highlights important items residents may essential. More information is available through our website at Petawawa.ca or at our municipal office.

Recreation. Culture Tourism department along with the Petawawa Public Library continue to be the foundation of our many recreational, cultural and social activities. Staff strives to provide memorable and affordable programming for every age, interest and ability. If you have any recommendations for innovative programs, events or services, please feel free to reach out to staff or members of council. Above all, participate, be active and involved in the community and volunteer whenever and wherever possible. Take part in planned events, walk or cycle our many trail systems, sign your children up for sports or programs and try our paddle activities at the Petawawa Point Beach.

Your Petawawa Town Council continues to work collaboratively with residents and staff and is dedicated to providing an expanded array of recreational, cultural and event programming to keep residents of all ages engaged and active in our community.

2024 was another exciting year for Petawawa as we witnessed the grand opening of the comfort station next to the Algonquin Trail to act as a jumping off point and rest station for all users of the Algonquin Trail. This facility is the first purpose built facility on the entire length of the Algonquin Trail and a first step in the redevelopment of Kiddyland Park. Our Christmas Trail of lights was expanded and the Christmas Tailgate Market continues to be a highlight of the festive season.

The Petawawa Ramble and its popular Farm to Trail event attracted even more participants; our 2025 Pride Festival will be combined with Garrison Petawawa into one large celebration; the Water and Dirt Festival continues to expand; and an exciting new event called The Ottawa Valley Stomp comes to Petawawa in June.

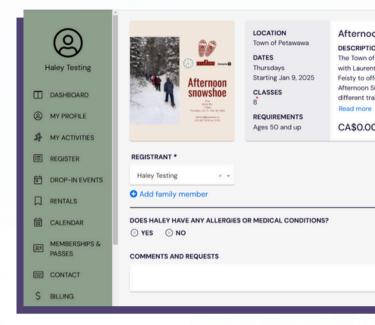

Your council is looking forward to improving and expanding existing events, adding innovative, new attractions and facilities and actively participating in the growth and development of our wonderful community. Council is excited to participate alongside residents with our many new and existing programs, events and activities in the upcoming year. Thank you for helping us make Petawawa an amazing place in which to live, work and stay active. We truly are "Dynamic by Nature".

Mayor Gary Serviss gserviss@petawawa.ca

Program Registration

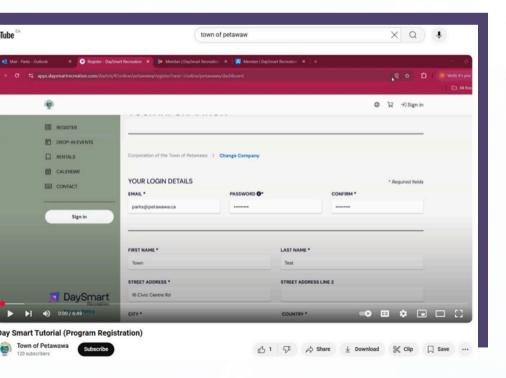

Register through Daysmart Recreation

- Create an account via <u>online</u> or the 'Daysmart Recreation' app. If your email is in use, click "Forgot your password" to reset it.
- In the app, search for "The Corporation of the Town of Petawawa" to log in or create an account.
- Enter your info and add family members at the bottom of the page, or later through the 'Profile' tab.
- To register: Select "Register" from the menu, choose your participant, find programs, answer prompts, and confirm to add to your cart.
- Complete your registration by checking out and paying with a credit card. You'll receive an email confirmation once payment is processed.

Register in person

Visit the Recreation, Culture, and Tourism Department at <u>16 Civic Centre Rd</u> to complete a paper form and pay in person (debit, cash, or cheques payable to the Town of Petawawa). Credit cards are only accepted online.

Virtual Guide

Head to the Town of Petawawa's official <u>YoutTube channel</u> for a virtual tutorial on using Daysmart for a step by step guide!

For more information on these services email tourism@petawawa.ca or call 613-687-5678

Boards and Committees

Equity, Diversity and Inclusion

The Petawawa EDI Advisory Committee offers advice and recommendations to the Town Council on matters of equity, diversity, and inclusion (EDI). Its key goals include developing an EDI Action Plan, addressing barriers to inclusivity, promoting anti-racism and antidiscrimination efforts, eliminating obstacles in Town services, and reviewing policies through an inclusive lens. The Committee also focuses on fostering awareness of EDI issues, educating the community, celebrating diversity, identifying resources, and engaging groups in these efforts.

Consider participating in our Community Flag Program! Flags are symbols that can encourage understanding and respect. If you'd like to raise a community flag, you can submit a request by filling out the online form available on the Town of Petawawa's website.

Petawawa Accessibility Advisory Committee

The Petawawa Accessibility Advisory Committee (PAAC) is dedicated to making Petawawa a more accessible, inclusive, and livable community for all. Made up of local residents with lived experience or advocacy roles, the committee advises Council on improving accessibility in facilities, services, programs, and policies.

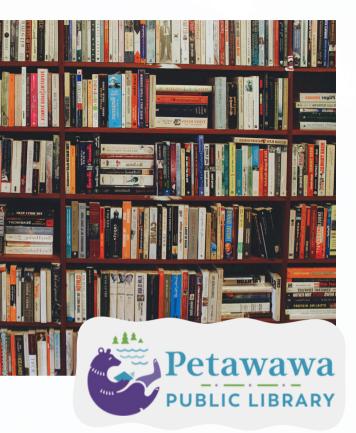

PAAC promotes Universal Design, ensuring that environments, products, and services are usable by everyone, regardless of ability, age, or circumstance. Instead of designing for a specific disability, it focuses on making spaces work for all people—parents with strollers, seniors, injured workers, and individuals with temporary or permanent disabilities.

A universally designed community means:

- ✓ More independence Fewer barriers, greater mobility.
- ✓ Better experiences Spaces that work for everyone.
- ✓ Economic benefits Consumers with disabilities account for 40% of Ontario's total income. More accessibility = more customers & growth.

By embracing Universal Design, we create a stronger, more inclusive Petawawa—where everyBODY can live, work, and play without barriers.

Want to learn more about accessible services, programs, and events in our community? Visit <u>petawawa.ca</u> and help us build a more inclusive Petawawa!

Petawawa Public Library

This summer, say hello to a season of reading at the library! The TD Summer Reading Club is back and better than ever with programs for kids, teens, and adults, making it a great way for the whole family to continue reading over the summer months. Parents and caregivers can rekindle their love of reading with our new Adult Summer Reading Challenge, while kids enjoy weekly themed activities, story times, and prizes. Teens can also take part in exclusive challenges with their own prizes to win. From book clubs and crafts to exciting rewards, there's something for everyone to enjoy this summer at the library!

Your library card unlocks a world of free resources, both in-person and online. Along with books, eBooks, streaming services, and language-learning video apps for streaming, your card also gives you access to provincial park passes so you can explore the great outdoors. Don't have a card yet? Now's the perfect time to sign up and discover everything the library has to offer!

Senior's Advisory Committee

The newly formed Senior's Advisory Committee, established in the fall of 2024, provides advice and recommendations to Council related to recreation programming opportunities for seniors and recommends actions that can better serve the diverse senior population in the Town of Petawawa.

Our committee members consist of: Theresa Sabourin (Chair), Karen Donovan (Council rep), Anna Marie Batelaan, Cindy Nicholas, Janice Bunn, Lynn Davenport and Sandy Edwards. These community representatives bring a diverse skill set which includes recreation, social services, education and health care to enable fulsome perspectives to assist in outreach, access and the delivery of services for our senior populations.

To fulfil our mandate we will develop a 5-year strategic vision and plan in the coming months. As a 50+ senior, your feedback is important and we ask that should you have any suggestions, please reach out to any of our committee members and provide them with your input.

October 1 is National Seniors Day! This is an occasion for all Canadians to join in celebrating older adults across Canada—whether a parent, a co-worker, a neighbour or a friend. The Town of Petawawa is currently in the planning stages to host an event(s) to recognize our older adult contributions on Wednesday October 1, 2025.

Petawawa Business Advisory Network

The Petawawa Business Advisory Network (PBAN) is a collaborative platform for local business representatives dedicated to fostering economic and business development in Petawawa. Through shared insights and innovative solutions, PBAN addresses community challenges and promotes sustainable economic growth.

PBAN actively supports key initiatives such as the Petawawa Container Market program, the Petawawa Ramble, the Holiday Tailgate Market, and the Veteran Business Vendor Expo. Members contribute by reviewing policies and processes with a business perspective while championing and celebrating local business achievements.

In 2024, PBAN members supported the First Impressions Community Exchange (FICE) program, which involved paired municipalities evaluating each other based on a prescribed set of criteria. The FICE results will drive tangible community improvements aimed at fostering a welcoming environment.

In 2025, PBAN will play a central role in the Business Retention and Expansion (BR&E) program, which will see businesses complete surveys and provide feedback on economic priorities. Insights from these efforts will inform the update of the Economic Action Strategy and guide the 2026 review of the Community Improvement Plan program.

Petawawa Police Services Board

The Town of Petawawa Police Services Board plays a key role in shaping local policing by connecting the community with the Ontario Provincial Police (OPP). The Board consists of five members: two from Town Council, one appointed by the Province, and two local volunteers selected by Council.

The Board does not manage daily police operations but provides oversight and direction through:

- Setting policing priorities based on community safety needs
- Assisting in the selection of the OPP Detachment Commander
- Monitoring police service performance and effectiveness

Working closely with the OPP and the municipality, the Board helps develop policing action plans, supports crime prevention initiatives, and advocates for policies that enhance public safety. Board members also serve as liaisons between the police, Council, and residents to ensure policing aligns with community expectations.

For more information, visit petawawa.ca/psb

Adventure is on your doorstep...

Bike

Challenge your BMX skills or boost your confidence at the <u>Construction Yard Bike Park</u>, open daily from May to October. For mountain bikers, explore the scenic trails at the <u>Petawawa Research Forest</u>, <u>Woodland Park</u>, and <u>Forest Lea</u>, each offering unique terrain and breathtaking views.

Recreation, Culture, and Tourism

Welcome to the Recreation, Culture, and Tourism Department of the Town of Petawawa! Our mission is to enhance the lives of residents and visitors alike by offering a dynamic blend of recreational activities, cultural experiences, and events, all set against the backdrop of the region's stunning natural beauty. Whether you're exploring the great outdoors or enjoying vibrant community events, we strive to create memorable experiences for all.
