June 6, 2019

FOR IMMEDIATE RELEASE

Petawawa, ON – Beyond the Coast is a Salt Therapy driven holistic wellness service. Proprietor Suzie Wiseman, brings this patented, NeuroSpa therapeutic relaxation program to clients. Salt Therapy is the inhalation of micro-sized salt particles to naturally and effectively reduce symptoms associated with a variety of respiratory and skin conditions. The client enters a state of deep relaxation in a climate controlled chamber while lying in a zero gravity supportive chair system. The soothing natural sounds and air that mimics a coastal breeze all work together to help relax and soothe mind, body and soul.

The benefits of this natural therapy system increase your body's immune system, provides body detoxification and mood enhancement. Beyond the Coast is a serene, peaceful environment where clients can unwind and recharge, catch their breath and meditate.

Please join us in a ribbon cutting ceremony on Wednesday, June 19th at 5:00 pm where Beyond the Coast will officially be welcomed to the Petawawa Business Community. Beyond the Coast is located at 62 Mohns Avenue.
