Message from the Manager of Parks and Recreation

Dear Resident,

By now, many of you have likely seen or heard about the many initiatives ongoing within the Town of Petawawa involving both trail and active transportation planning, development and construction. These various projects are all great news when it comes to living healthy and active lifestyles here in Petawawa. An active community is a healthy community and municipal infrastructure such as trails and bike lanes help to facilitate ease of use and foster positive lifestyle choices.

Living a healthy lifestyle can be challenging at times. Technology, while creating many opportunities to improve our daily lives and make life easier, also often counteract the daily routines that used to keep us fit. Busy schedules, demanding family life, changing economics etc. are all things that have to be managed from day to day. For many of us, the key to living a healthy lifestyle is BALANCE. It can be tricky, but finding balance in your life will improve both your mind and your body. Taking a little time for yourself to get some physical activity or participate in an arts or cultural activity can relieve stress, re-invigorate your mind and focus your thoughts on positive outcomes.

Not sure where to start? This issue of the Community Guide may help you to find something of interest. Whether on your own, with a group of friends or with a class of new acquaintances, getting involved in regular and healthy activities is one way to help you find balance in your life.

If you find something of interest in this Community Guide and have questions, just give us a call. It would be our pleasure to assist you.

See you out there,
Kelly Williams, Manager of Parks and Recreation

SPECIAL EVENTS

A Message from the Garrison Petawawa Command Team

As the 4th Canadian Division Support Group (4 CDSG) Commander and Commander of 4th Canadian Division Support Base Petawawa (4 CDSB) it is our pleasure to provide greetings and welcome on behalf of all members of the Garrison Petawawa Defence Team

Colonel M.L. Lapointe

Chief Warrant Officer T.K. Verner

Garrison Petawawa is a long way from its humble beginning in 1905 when it would be identified by an isolated cluster of canvas tents. Today Garrison Petawawa is home to more than 465 buildings, and more than 6,000 soldiers and civilians. The soldiers from Garrison Petawawa are proud that they make up a big part of the Petawawa community

Garrison Petawawa is one of Canada's leading training Bases and is tremendously busy. The main focus of Garrison Petawawa is to generate, employ and sustain effective relevant forces in order to meet Canada's domestic and international defence objectives. In order that we meet the aim of Canada's Defence Policy, Strong Secure and Engaged, a high level of readiness training is required on the Garrison and in the surrounding communities. Your cooperation and support for us while we conduct this training is appreciated.

Currently soldiers from Garrison Petawawa are deployed on a number of major missions and operations around the world. We have soldiers in Latvia, Mali and Iraq to mention some of the major ones. Supporting these missions keeps us busy at home as well. Petawawa troops continuously train and then the support mechanism here in Petawawa work tirelessly behind the scenes ensuring mission success.

This year marks another major milestone in military history. November 11, 1918 at 11:00 in the morning marked the end of the Great War. Despite the reality of gas attacks, infested trenches, and misery in World War 1 the Canadian Expeditionary Force proved to be a fighting Force with important victories at Vimy, Hill 70, Passchendaele, Amiens and more. With these hard fought battles Canada earned its place as a signatory to the Treaty of Versailles. We will celebrate the 2018 Armistice 100th Anniversary at our Annual Business Lunch on November 8, 2018 at the Normandy Officers Mess

We are very proud of the relationship the community and the Garrison have established over the years and by the level of openness, mutual awareness, and joint programs which exist both in the community and on the Garrison. Many soldiers and civilians that work at Garrison Petawawa contribute greatly to the community as volunteers on sports and recreation teams. Through Provision of Service we also support our community at school, ceremonial activities when time permits, and annually we contribute to the community with monies raised in our National Defence Charitable Workplace Campaign. On top of this we are always happy to remind you that the doors are open to our recreational and sports and leisure facilities, so feel welcome to visit at any time. On behalf of everyone at Garrison Petawawa welcome to this wonderful community.

Municipal Election October 22, 2018

Voting Day is on **Monday, October 22, 2018**. This is the day that Petawawa residents will elect their **Mayor and Councillors**.

We encourage you to participate in the municipal election process as voting is a fundamental right of our democracy and you are also ensuring your support for those candidates who share your vision for your community and who will be representing your interests for the next four years. For this election the Town of Petawawa will be using the alternative voting methods of **Internet** and **Telephone**. It is very important that our **Voters' List** be as accurate as possible to ensure that all eligible voters receive their **Voter Information Letter** which contains a unique **Voter ID** and **PIN #** to vote electronically. Residents will be able to vote electronically anytime during the **Voting Period** (10:00 a.m. on Friday, October 12, 2018 until 8:00 p.m. on Monday, October 22, 2018). The **Voter Information Letter** is scheduled to be delivered the first week of October. If you do not receive your **Voter Information Letter** in the mail by Tuesday, October 9, 2018, please contact the municipal office.

Residents not wishing to vote electronically will be able to cast a paper ballot on **Advance Voting Day** (Saturday, October 13, 2018, 10:00 a.m. to 6:00 p.m.) and on **Voting Day** (Monday, October 22, 2018, 10:00 a.m. to 8:00 p.m.) at the Town of Petawawa Municipal Office, 1111 Victoria Street.

Voters should ensure that their names and relevant information are correctly shown on the Voters' List. Not sure if you're on the Voters' List? Call 613-687-5536 and speak with the Returning Officer or designate or you can also attend the municipal office in person, Monday to Friday, 8:30 a.m. to 4:30 p.m. to have your name added to the Voters' List.

Help Prevent Landfill Fires

Did you know that rechargeable, lithium-ion batteries found in electronic devices such as tablets, cellphones and laptops are highly flammable? When these batteries are punctured, the liquid contents of the battery react with water in the air, generating high heat and sometimes producing a fire.

This happens at the landfill. People are throwing their old laptops and tablets in the garbage. Our landfill equipment compacts the garbage, crushing the electronic devices and their batteries, resulting in small landfill fires. Luckily, our fast acting staff, have been able to quickly extinguish these fires.

Fires in or around the landfill are of particular concern as they have the potential to emit dangerous fumes and can burn, if undetected, for extended periods of time.

Proper disposal of waste electronics is easy, convenient and drop-off is free. Residents of Petawawa have many options:

- The Ottawa Valley Waste Recovery Centre's Electronic Waste Depot open year round at 900 Woito Station Road (Enter at Gate 3)
- Curbside pick-up during the Spring and Fall Large Item Collection
- Drop-off at the Centre's Environmental Days (Always held in May at the Petawawa Civic Centre)
- Many community drop-off locations and/or events (i.e. schools, community organization fundraisers, etc.)

For a complete list of acceptable items visit www.ovwrc.com.
