

# Coureur de Bois Statue is on the Move!

With winter approaching, a local landmark is on the move for the next few months. Petawawa residents will notice that the coureur de bois statue, located at the corner of Laurentian Drive and Petawawa Boulevard, is no longer in place. Because the statue was showing signs of wear and tear, it will be getting some upgrades over the winter season. Watch for installation of a new and improved statue sometime next spring!
