DIRECTORS MESSAGE

Director of Community Services - Mary McCaw

What a busy spring and summer full of projects, events, and camps!

The Civic Centre grounds saw lighting upgrades to the arena, a new accessible play piece donated by the Greater Petawawa Civitan and Petawawa Rotary Clubs in the Civitan Playland and upgraded bleachers and mini putt greens thanks to donations from the Petawawa Civic Centre Fundraising Committee, to name a handful of projects.

Civic Centre Days, expanded across the Town with a well attended screening of Jaws at Petawawa Point, a Trail Run event, and the best attended Craft Beer Festival to date. The Water and Dirt Festival grew too, adding new partners, sponsors, and is now up to 15 events. Summer camps increased enrollment this year and sold out in record time. The CNL Science, Paddle and Adventure Camps continue to be extremely popular.

Now with the fall upon us, the leaves are changing, cooler temperatures are approaching, so it's time to grab a cozy sweater and hiking boots to explore the trails. Our programming staff offer guided hikes and snowshoeing adventures in the winter. Be sure to check out all the other programs we offer starting on page 06. Winter is a great time to get moving indoors too! Get your skates out and come for a family skate or get involved with the local figure skating, curling and hockey programs.

Our events staff has added a new Farm to Trail event to Petawawa Ramble this fall. Be sure to join us for our signature winter events Santa Claus parade (December 2nd), New Year's Eve event, and come out and challenge the defending trivia champs at Cabin Fever (February 23-March 3, 2024).

This fall and winter we will be tackling a new Recreation Master Plan, moving some rentals online and as you can see launching our interactive online Community Guide. Let it snow, Let it snow, Let it snow, (but not too much and not until December).

COMMUNITY SERVICES

Recreation, Programs, Events, Parks, Trails, Culture, Tourism & Community Development

WHO WE ARE AND WHAT WE DO

Petawawa Community Services Department oversees the Town's indoor and outdoor recreation facilities including the Civic Centre arena, outdoor rink, parks and more.

You can take part in many of our recreation programs this fall and winter. Participate in one of our hiking or snowshoeing programs or stay warm with an indoor cooking or painting class.

Bring friends and family together for one of Petawawa's community celebrations including New Year's Eve or Cabin Fever.

If you need a space for a wedding reception, meeting space or a place to host a birthday party the Civic Centre's Banquet Hall, Fundraising Lounge and Committee Board Room are available for bookings both big and small.

We are always open to suggestions or improvements, new program or event ideas and ways to grow our community recreation opportunities. Please set up a time to meet staff to discuss your ideas.

MAYOR'S MESSAGE

Gary Serviss

Mayor

Council and staff have been working diligently to ensure that the fall and winter of 2023 will be an exciting season in Petawawa and spring of 2024 will once again have some amazing events planned. Petawawa's winter carnival, Cabin Fever, will be a highlight of the new year along with our regular winter programming and outdoor activities. Our night time Santa Claus parade will continue as well as our new Christmas market, and an exciting new festive addition to our celebration will be a Christmas Trail of Lights.

Several of our playgrounds have seen significant upgrades, the miniputt has been refurbished and the addition of the Multi-Use Pathway along Laurentian Drive is underway as we continue to promote our active transportation philosophy.

This winter will be the first chance for users of the arena to witness our new LED lighting system which will complement the new arena floor and arena boards.

Last year we celebrated the 25th Anniversary of the amalgamation of the Township of Petawawa with the Village of Petawawa. As a legacy of this important milestone, the construction of a comfort station beside Norman Behnke Hall along the Algonquin Trail is ongoing and will soon provide a rest spot, warming centre and bathrooms for users of the Algonquin Trail.

Council works hard to meet the needs of the community and realize the core corporate responsibilities delegated to us. We constantly strive to ensure that Petawawa remains a wonderful community in which to live, work and play. If you wish to provide input or discuss municipal government or administrative matters, please feel free to contact us.

Sincerely,

OFFICE OF THE MAYOR

Introducing your

PETAWAWA EQUITY, DIVERSITY & INCLUSION ADVISORY COMMITTEE

STANDING (left to right): Deputy Mayor Theresa Sabourin, Becky Conroy, Alaina Campbell, Ellen Gallant, Josh Vardy, Maryse Ahow, Clerk Colin Howard
SEATED: Councillor Lisa Coutu, Natalie Chaumont

The EDI Advisory Committee's objective is to provide advice and make recommendations to Council on developing and implementing an Equity, Diversity and Inclusion Action Plan for the Town of Petawawa.

Our work includes promoting inclusivity and diversity, creating anti-racism and anti-discrimination initiatives, and working to eliminate barriers within Town programs and services.

Petawawa is located on the unceded, unsundered territory of the Anishinaabe nation. Our committee acknowledges the oppressive history and current experience of colonization and is committed to create initiatives that decolonize, recognize and honour the pursuits of Indigenous Nations and Peoples' self-determination and sovereignty.

Our committee was honoured to organize Petawawa's first Pride Flag raising on June 16th this year in partnership with the Town. We invite you to look forward to more upcoming opportunities to learn about and celebrate the diverse social, cultural, and traditional elements that make up Petawawa.

We look forward to reaching out to residents and forming community partnerships, and we invite you to participate in our upcoming community survey.

Stay up-to-date with the EDI Committee by connecting to their page on the Town's website.

Randa

small town artist with big dreams

Randa Teschner was born and raised right here in Petawawa. As a young girl, Randa was a natural all-around athlete and took a keen interest in downhill ski racing. She learned how to ski at Mount Molson and started to excel at the local, regional, and national level. Through hard work and determination, her passion for skiing allowed her to travel the world, training and racing all throughout Europe, Chile, Australia, New Zealand and North America. She competed for Team Canada at the World Junior Championships in 2012.

Randa proceeded to race on the NCAA circuit for the University of New Hampshire, graduating as a three time All-American, with a Bachelor's of Kinesiology in Athletic Training. Upon completing school, Randa wanted to give back to the ski community that taught her so much and got into coaching. For four years Randa coached all over the world and was living in Italy when the pandemic hit and that's when everything changed.

Randa moved back to Petawawa during the pandemic, and it was the longest she'd spent at home, not travelling since she was 12. Her priorities shifted and she decided to pursue a childhood dream that she had long forgot about, being a musician. Randa grew up playing piano and juggled lessons all throughout her skiing career. She carried a ukulele with her everywhere she travelled and would always play for her teammates and friends.

COUNCIL

When she moved to Italy, she was living on her own and would practice guitar every night with the hopes of playing in front of strangers one day. During the first wave of lockdowns, she started online vocal lessons and started writing her own songs. In August 2021, she performed for the first time at Pembroke Waterfront Live and knew she was finally on the right path. Since then, she's been busy playing the local music scene. You can find her playing with her band at Legend's or solo at Whitewater Brewery, Waterfront Live, the Petawawa Container Market and other local events.

Randa has her debut album coming out in January. She recorded in Calabogie with producer Collin Carnegie and her friends Levi Post (drums) and Cole Layman (bass). She plans to tour once the album is out and keep pursuing her dream of being a singer/songwriter.

To stay up to date with Randa's musical journey you can follow her on Instagram and Facebook @rock.n.randa

Daniel Scissons

RETIRES AFTER 31 YEARS WITH THE TOWN OF PETAWAWA

Dan began his career with the Township of Petawawa in 1991 on a two-year management trainee internship sponsored by the Ministry of Municipal Affairs and Housing. He attained the designation of Accredited Municipal Clerk Treasurer in 1994 and was appointed to the position of Deputy Administrator the following year. After the amalgamation of Petawawa in 1997, Dan served as Assistant Treasurer before assuming the statutory role of Treasurer in 1999.

Over the ensuing 15 years he added Deputy Clerk and Deputy CAO responsibilities to his portfolio. On July 1, 2014, Dan became the Town's most senior public servant, Chief Administrative Officer.

Dan retires after more than three decades of faithful service to Petawawa. Over his tenure, Dan has collaborated with 28 Members of Council, hundreds of devoted municipal professionals, countless community champions and innumerable public and private sector associates. He counts himself as privileged to have dedicated his entire career to serving the taxpayers of this dynamic, progressive municipality.

Dan looks forward to a relaxed pace in retirement with more time for family and recreational activities.

Petawawa Welcomes

**CHIEF ADMINISTRATIVE OFFICER
SCOTT RANDOLPH**

The Town of Petawawa is pleased to welcome Scott Randolph as the new Chief Administrative Officer (CAO). Scott brings a wealth of experience and a deep understanding of municipal government to his new role. As the new CAO, Mr. Randolph will continue to carry our Council's priorities. He will work closely with the town council, staff, and community partners to ensure Petawawa remains a vibrant and inclusive place to live, work, and play.

Please join us in congratulating Scott on his appointment as the new CAO for the Town of Petawawa.

NEW STAFF

Natasha Collins

Natasha, a Petawawa resident, comes to the Town after more than a decade of public service in retail and government settings. For the past three years, she has welcomed new and returning families posted to the area as an Information Services Assistant with the local military family resource centre.

Through this role, Natasha has gained a familiarity with the community as a primary contact for incoming residents. She looks forward to building upon this knowledge and expanding her connections throughout the municipality.

Natasha is proficient in the Microsoft Office Suite, facility booking software and database administration. She is known to demonstrate outstanding interpersonal skills, excellent written and verbal communications and a strong work ethic. Her organizational and time management abilities and capacity to prioritize demands will be most welcome in our unpredictable work environment.

Cameron Graveline

Cameron comes to the Town after obtaining his Class DZ and F licenses through the 5th Wheel Training Institute Heavy Equipment Operator training course and completing the T.J. Mahony Road School Construction and Maintenance programs.

Cameron brings with him five years of experience working in both the Parks and Recreation and Operations Departments of the City of Pembroke where he gained hands-on winter control experience operating sidewalk trackless machines and snowplow trucks with spreading unit and wing. Cameron is a known team player, displays a positive attitude in the workplace, and a "we" versus "me" philosophy that will serve him, and the Town, well now and into the future.

CONGRATULATIONS

ANNETTE MANTIFEL
Treasurer,
Administration Dept.

After 30 years within municipal government and 9 years of dedicated service to the Town of Petawawa, Treasurer, Annette Mantifel will begin her well-deserved retirement this Fall.

Petawawa staff and Council have benefited from Annette's financial leadership and passion for municipal government. The smooth functioning of day-to-day operations in the office and beyond is evidence that Annette made it a priority to give generously her time and experience.

From staff and Council, we sincerely thank you for your unwavering dedication and wish you all the best in your next chapter!

ACHIEVEMENTS & PROMOTIONS

CHRIS MANTHA
Director,
Public Works Dept.

We were so pleased to see one of our own, Chris Mantha, accept the position of Director within the Public Works Department. Chris began his career with the Town of Petawawa in 2019 as the Manager of Public Works, having an impressive 14 years of service with the City of Pembroke, as Supervisor of Roads and Fleet. He has extensive Public Works experience, from maintenance of roads, bridges, culverts, sidewalks and stormwater systems to winter control, snow removal, asphalt patching, concrete works, street sweeping and pavement markings. Chris has managed the acquisition and care of a substantial fleet of vehicles and equipment as well as operations buildings, garages and storage facilities. He has overseen the delivery of infrastructure services with a staff complement of 14 and the support of third party contracts. Chris has experience in tendering, budgeting and asset management. Chris holds the senior designation of Certified Road Supervisor from AORS and is President of the Renfrew County Road Supervisors Association. He is a team player who enjoys working in a collaborative environment to bring about change and efficiency. Our corporate effort to deliver effective Public Works services that optimizes labour and resources in a spirit of cooperation and communication will be enhanced by his initiative, enthusiasm and commitment. Congratulations Chris!

EMILY SHAMESS

Parks & Recreation Facility Operator,
Community Services Dept.

Emily Shames has assumed a permanent, full-time role as Parks and Recreation Facility Operator. Emily began her employment with the Town in 2012, and has progressed through the casual shift operator ranks prior to accepting a two-year contract as Facility Operator commencing in late 2020. Emily has become a key player in the corporate delivery of high quality recreation and facility services and is positioned to support the Town well into the future. Well done Emily!

HELP MAKE PETAWAWA A GROWING SUPPORTER OF TREAT ACCESSIBLY

Let's make trick-or-treating in Petawawa accessible and inclusive for everyBODY!

This spooktacular campaign encourages home owners to set up trick-or-treating stations on their driveway or from their garage to allow children with mobility, sensory or intellectual disabilities to fully participate in trick-or-treating on Halloween night.

On Halloween night, the Petawawa Accessibility Advisory Committee will be setting up their own barrier-free, trick-or-treat stations at both Petawawa Fire Stations (1111 Victoria Street & 23 Schwanz Road). Open to all families to treat together to champion accessible inclusion!

VISIT OUR WEBSITE FOR TIPS ON HOW TO CREATE BARRIER-FREE TRICK-OR-TREATING AT YOUR HOME!

Petawawa Salutes Its Veterans

Sgt. Bill Humphries, CD, Korea Medal, UN Service Medal for Korea

The Korean War was one of the most significant chapters in our country's proud military history. More than 26,000 brave Canadians served on land, at sea and in the air during this bitter conflict that raged in from 1950 to 1953. The Soviet Union deployed troops into the northern portion of the newly liberated Korean peninsula while American soldiers moved into the southern half.

A boundary was established between these two zones along the 38th Parallel of latitude. The Soviets and the Americans withdrew their forces within a few years, but not before a communist government had been established in the north and a democratic government in the south. Tensions between the two sides grew, climaxing on June 25, 1950, when North Korean troops invaded South Korea. This set off more than three years of fighting in the place traditionally known to its people as the "Land of the Morning Calm."

Bill Humphries was born in Guelph, Ontario on January 14th, 1933 and joined the 11th Field Regiment Royal Canadian Artillery reserve unit in Guelph as a teenager. In 1951, Bill decided to enlist and travelled to London, Ontario to join as a motorcycle dispatch rider for a signals squadron. Bill completed eight weeks of basic training in Kingston and an additional three months of motorcycle dispatch rider training. Over the course of the 1951-52 winter, Bill completed his driver signals training in all forms of vehicles.

In the summer of 1952, he was one of six recruits chosen to form the Canadian Military Dispatch Rider Display Team to travel Canada and perform. But before he could begin, Bill was asked if he would volunteer to go to the Korean War, and at the age of 19, he accepted. Bill was attached to the 25th Canadian Infantry Brigade Group and travelled from Guelph to Vancouver by train. Bill shipped out from Seattle on the USS General Hugh J. Gaffey and landed in Yokohama, Japan in June of 1952. After 21 days of mountain battle training in Japan, Bill sailed to Pusan (Busan) South Korea and by late summer he was stationed near the town of Uijeongbu at the rear brigade headquarters.

Throughout his time in Korea, Bill was tasked regularly with special dispatch rider runs between rear brigade and main headquarters close to the front lines. The motorcycles and jeeps carried sensitive messages that couldn't be transmitted over the radio lest the enemy intercept them. Messages were sent day and night, with the night messages being carried in blackout conditions. In July of 1953, Bill left South Korea from Incheon to Japan by boat, then a flight from Tokyo to Vancouver and a train to Guelph. Upon his return to Canada, Bill was posted to Borden to be a driver for the Base Commander and in September of 1954 he married Millie, they will celebrate their 70th anniversary next year.

In 1954, Bill was posted to Soest, West Germany and then spent time at bases in Kingston, Vernon and one year in Egypt in 1957-58 as part of the peacekeeping force for the Suez Canal Crisis. He was eventually posted to Petawawa in 1964 where he worked with 2 Signals Squadron and the 8th Canadian Hussars until his retirement in 1976 as a Sergeant.

Bill remained in Petawawa and worked as a civilian with the Base Construction Engineers in various shops until his retirement in 1993.

The courageous Canadian men and women who served in the Korean War put their lives on the line, traveling to the other side of the world to help UN forces trying to restore peace. It was dangerous duty in a harsh land far different than their own and 516 Canadians lost their lives in service during the conflict. Petawawa wishes to salute Sgt. Bill Humphries for his service in the Canadian military during the Korean War, his UN peacekeeping mission in Egypt and his entire 25 year career in the Canadian Armed Forces.

TOWN HALL

SNOW SAFETY TIPS

FOR CHILDREN, A SNOWBANK IS A PLAYGROUND! HOWEVER, CHILDREN NEED TO BE TAUGHT TO TAKE CARE. TWO BIG RISKS FROM WINTER SNOW PLAY FOR CHILDREN ARE SUFFOCATION IN SNOW DRIFTS AND ACCIDENTS INVOLVING SNOW REMOVAL EQUIPMENT.

Snow Forts

A child can suffocate if they are trapped in a snow structure. According to Child Safety Link, at least one Canadian child dies this way every year. In 2021, a 12-year-old Toronto boy who was buried under snow was rushed to hospital and survived his injuries.

In 2014, a 9-year-old boy in Orangeville died after his snow bank snow fort collapsed. These tragic events demonstrate the importance of teaching children not to build forts with roofs, and not to tunnel into snowbanks.

Snow Clearing Equipment

Winter snow operations involve heavy machinery such as snowplows, sidewalk plows, and large snowblowers. Children should never play in or on snowbanks that border roads because snowplow operators and other drivers may not see them.

Children should also keep well away from snowblowers, both the machine and the snow it spits. Snow removal machines cut into snowbanks to widen the road when snow is accumulating, which is another reason to make sure that children do not build snow forts in snowbanks.

Parents should be sure to actively supervise young children who are playing outside. Older children can keep safe with the buddy system.

WINTER PARKING RESTRICTIONS

BY-LAW 257/2003

As per the by-law no person shall park on any roadway within the municipality from:

**1:00AM TO 7:00AM
FROM NOVEMBER 15TH TO MARCH 31ST**

Don't park on the street during a snowfall – or immediately following a snowfall. Parked cars are obstacles that slow down plowing operations. Your vehicle may also be ticketed or towed.

SURVIVING THE WINTER MONTHS

Be patient. In heavy snowfalls it takes us longer to get all our streets and sidewalks cleared.

Be a good neighbour. Help those who may not be able to shovel their driveways.

Keep garbage cans and recycling bins back in your driveway 5-6 feet from road edge so that plows can efficiently clear roadways. And please keep garbage cans and recycling bins off the sidewalks.

FIRE PREVENTION WEEK

OCTOBER 8 - 14, 2023

COOKING SAFETY

This year's Fire Prevention Week™ (FPW™) campaign, "Cooking safety starts with YOU. Pay attention to fire prevention™," works to educate everyone about simple but important actions they can take to keep themselves and those around them safe when cooking.

DID YOU KNOW?

Cooking fires are the leading cause of home fires and home fire injuries. Unattended cooking is the leading cause of cooking fires and deaths.

TOP TIPS:

TURN pot handles toward the back of the stove. Always keep a lid nearby when cooking. If a small grease fire starts, slide the lid over the pan and turn off the burner.

WATCH what you heat. Set a timer to remind you that you are cooking.

HAVE a "kid-free zone" of at least 3 feet (1 metre) around the stove and areas where hot food or drink is prepared or carried.

Did you know that cooking fires are the leading cause of home fires and home fire injuries?
Cooking safety starts with YOU.

NFPA FIRE PREVENTION WEEK™ Pay attention to fire prevention.™

Keep snow and ice 3 feet away from hydrants

In an emergency, every second counts

If there is a fire hydrant near your home, do your part to keep it accessible this winter.

- ❄️ Remove any snow & ice from the hydrant
- ❄️ Clear a wide enough perimeter to walk around it (about 3 feet)
- ❄️ Clear a path from the hydrant to the street

Carbon Monoxide Safety

Do you ice fish? If so, make sure your ice-hut or tent is properly ventilated when using a fuel fired heater or stove.

The danger of carbon monoxide poisoning can be very high in these small spaces. Bring a battery-operated CO alarm with you for added protection.

Working smoke and CO alarms save lives!

Stay Warm & Fire Safe

Have your heating system, chimney and vents installed by a qualified technician.

Ensure they are inspected and cleaned every year.

Petawawa Parks and Playgrounds

Civitan Playground

The Civitan playground received a new playground featured that is fully accessible

It has been a busy 2023 in our parks and playgrounds, with many new features and upgrades throughout the Town.

In Centennial Park, the Millennium Trail Signage was updated as part of the Walking Museum with featured panels on the history of Petawawa. Repairs were also made to the Catwalk Wall around the pond.

Work has started on the new park in Laurentian Highlands Park, with paths and landscaping in progress. Playground equipment is scheduled for installation this fall. Fish Hatchery Park playground received upgraded equipment with a new climber and other new play pieces.

The Civic Centre grounds saw lots of upgrades, many thanks to our Fundraising Committee and local Civitan and Rotary Clubs, who provided funding for new mini-putt greens, new bleachers, and a new accessible play piece. The bike park features have been replaced and new beach volleyball equipment has been added. Next up a lighting replacement for our Tennis and Pickleball courts.

This past June the Town hosted our first Pride event, including the raising of the Pride flag, on the newly installed community flagpole at the Civic Centre.

Petawawa Featured Trail

A great way to beat the winter blues, is to get out and get active in nature. There are so many great trails in the community and the winter makes for a great time to grab some snowshoes and explore. A trail we love to explore as part of our programs is Woodland Trail. You can park by the water tower on Woodland Crescent, slip on your snowshoes and march through the snow along the trail. The full loop is about 3 km and would be considered a beginner/intermediate level hike. Enjoy snowshoeing check out Forest Lea Trails, Petawawa Terrace, Petawawa Research Forest and other local trails!

PARK & TRAIL ETIQUETTE

		<p>GENERAL USERS: Respect everyone's right to use the park and/or trail. Yield to law enforcement, maintenance or emergency vehicles & personnel. Introduce children to the joys of outdoor spaces. MEMBERSHIP FEES

Annual fee of \$25.00. Payment is due by the end of March each year.

The club was founded in 1978 and has a membership of over 250. The mandate of the club is to enhance the quality of life and promote fellowship among the seniors (50+) of the area. This is accomplished through a schedule of weekly activities and special events throughout the year. There is a small fee for each activity and additional costs for trips and dinner/dances. A current schedule of weekly activities is included in our newsletter. Special functions are also listed in the newsletter, newspaper column and our website.

DINNERS, DANCES & SPECIAL EVENTS

Dinner/Dances are held in February, March, April, October and December. The cost is \$25.00 per member and \$30.00 per guest. We hold seminars throughout the year on different topics. Open house every September to show people what goes on at our club.

ORGANIZED EXCURSIONS

The club offers various outings throughout the year. We are always interested in ideas for day trips. We try to arrange a shopping trip to Ottawa or North Bay each year. We do try to arrange a trip to the Stone Fence Theatre in the fall. Outings depend on the level of interest. Sign-up sheets are available at the time. If enough people have committed, a bus is hired. Prices vary per trip.
