

## Memorandum # 10

**To:** Petawawa Civic Centre Clients.

**From:** Kelly Williams, Director of Community Services.

**Date:** Monday February 28, 2022.

**Subject:** **Lifting of Further Public Health Measures/Restrictions Effective March 1<sup>st</sup> 2022.**

With the Province of Ontario indicating that many public health and health care indicators are continuing to improve, the following public health measures will come into effect at 12:01 am on March 1, 2022.

- Capacity limits will be lifted in all indoor areas of the Petawawa Civic Centre including the spectator stands.
- Proof of vaccination requirements will be lifted for all areas of the Petawawa Civic Centre.
- Other protective measures, such as mask/face covering requirements and screening of patrons for COVID-19 symptoms will remain in place.

Should you have any questions or concerns how these regulatory changes affect your/ your group's use of the Petawawa Civic Centre in the coming weeks, please contact your Community Services representative and they will be glad to walk you through things.

Thank-you for your continued patience, support and understanding.

Sincerely,

Kelly Williams
