January 28th, 2024

Attention: Dawn Recoskie, Public Works and Fire Service Coordinator

Dear Mrs. Recoskie,

Thank you so much for meeting with Mr. Chico Traclet and Mr. Chris Mantha on January 25th, 2024.

I am writing to you regarding the next phase of the current By-Law to Regulate and Govern the Operation of All-Terrain, Multi-Purpose and Recreational Off-Road Vehicles (ORVs) on Highways Under the Jurisdiction of the Corporation of the Town of Petawawa.

I am hoping to see the ridership (approximately 300) benefit from the next phase of the successful by-law 1597/23 and of course continue with the good partnership between RCATV, Town of Petawawa and the County of Renfrew.

With the upcoming opening of the OVRT north of Petawawa, through Garrison Petawawa, this coming summer, more and more people will benefit from the expansion of this by-law.

The goal is to ultimately allow residents from your beautiful town to access the Algonquin Trail directly from their residence without having to trailer their machines to the current trailhead located at the end of Norman Street which provides space for seven vehicles. Being able to drive to the trail from home is a benefit all riders would greatly appreciate.

Please note that Chico Traclet, Director of the Petawawa area for RCATV, has my authority to represent the club at all meetings where this by-law is being discussed. If required, I am also available to you and your staff at any time.

I thank you very much for your continued support of our club and, the resident riders of Petawawa.

Regards,

Greg Tatton
RCATV Club President
