An explanation of the purpose and effect of the By-law, describing the lands to which the By-law applies. The complete By-law is available for inspection in my office during regular office hours.

EXPLANATORY NOTE

This new zoning by-law repeals the zoning by-laws of the former Township of Petawawa and the former Village of Petawawa, and it establishes new zones and zone provisions for the amalgamated Town of Petawawa.

The Council of a municipality may, under Section 34 of the Planning Act, pass a Zoning By-law to govern the use of land. The effect of By-law Number 456/07 is to regulate the use of land and the erection, location and use of buildings and structures within the entire Town of Petawawa. After the By-law is in force, no land shall be used and no building or structure shall be erected, altered or used in any manner except in conformity with the provisions of the By-law.

The By-law will not apply to prevent or hinder the continued use of any land, building or structure, if such land, building or structure was lawfully used for such purpose on the day of the passing of the By-law, so long as it continues to be used for that purpose.

As the By-law affects all lands within the Town of Petawawa, a Key Map has not been provided.

DATED at the Town of Petawawa this 18th day of October, 2007.
